Dear Mr. Warner

7-21-2015

It was interesting to hear about  
Caitlyn Jenner. I am happy for her  
because people are ~~Bored~~ how they  
are.

I have one question though -  
how is she a Republican?

They want to take her rights  
a way? anyhow, tell her to

we spray tan for her legs.

M. Rahim Afghani
