Dear Mr. Carlos

12.16.2015

This is the TV I have, R.T. Russian TV, Saudi TV and Almatadyen.

I Read Time and Rolling Stone, and unless you bring me something different.

I like america's funniest videos, even though some of the videos are fake.

Now I do between 300-500 pushups a day.

I only see the sun when I am brought to a cage to run in ~~in~~ small circles,

Or when I come to see you. This is made me fatter.
